		<p>REC Lots of work provided and helpful with information needed.</p> <p>YEAR 1 Mrs Bird ensures ■■■■ learns whilst accepting my disability.</p> <p>YEAR 2 It was testing time for all but school were fantastic, regular calling to check all was well and support with home learning. Fantastic support.</p> <p>YEAR Very well support throughout. There aren't enough positive words for school throughout Lockdowns and in general.</p> <p>YEAR 4 Yes very happy with support.</p> <p>YEAR 5 Friendly- The staff are all very friendly and approachable.</p>					

What do you feel our school does well?

Reception

Learning made fun, good teaching technique.

The school keeps me well informed on my child's progress with the help of Tapestry.

Offering Forest School, Friendly environment and Supporting children's learning & providing opportunities.

Support parents.

Year 1

Working with mine and child's happiness and emotional state.

■■■■ has grown in confidence since starting school. ■■■■ mostly always looks forward to school. I feel happy when dropping Hollie at school when I go to work, I feel she is safe and well looked after.

Everything.

Maths.

Interacting with kids.

Year 2

Great communication with parents.

Makes my daughter feel welcome, happy and motivated to learn.

Home learning.

Friendly, The staff are all very friendly and approachable.

Offering forest school.

Supporting children learning and providing opportunities.

Friendly environment.

Year 3

Everything, St Mary Mags has been absolutely amazing, the boys love coming + I cannot find the words to give enough praise.

Helping my child to improve.

Support and offers a helping hand if needed. Very welcoming and friendly team.

Encouragement with my daughter's education, pushing her in areas she needs offering extra support, school is welcoming, approachable and rewarding.

School makes my child feel safe and staff are very friendly.

Year 4

Really supportive school.

Works in partnership with you.

Everything ok.

English and Maths.

Keeping children safe during Covid-19.

Good partnership with school and parents, nice school, teachers very friendly, welcome children in school.

Year 5

Maths.

██████ has had a complete change in his attitude towards his learning for the better since starting at this school.

School resolved most of the problems (school related) for my child e.g. free meal, breakfast, uniform issue etc. Special thanks for Mrs Morgan and the facility members.

Friendly- The staff are all very friendly and approachable.

Year 6

Looking after the children.

Protecting the children.

In what areas do you think the school needs to improve?

Reception

More play (from student) creative activities.

Parent - no opinion (doing great already).

More after school activities.

Year 1

Work with me more on child's progress for her to learn things she hasn't been taught already at home.

I don't know.

Not Applicable.

Year 2

More info/ parents evenings to see children are doing. Also maybe phone calls about children's behaviour/progress rather than in the yard in front of other parents.

I don't believe the school can do any more than what they do. I am very happy with all aspects of the school.

Consistency- Information home- Not all parents use computers so to get information is difficult + homework again not all parents use a computer or able to print- download etc.

Year 3

None, Well done to all staff - You're Amazing.

More outdoor time (understandable this is limited). How about swimming for all years?

**Communication with parents. I find out that there is not enough communication regarding my daughter although I understand lockdown has played a part in this.
The communication. Letters given out late.**

Year 4

I don't know.

Children with additional needs get more attention than the rest of the class and it influences other children to copy. My view is if the children are making school life different, should the children with extra needs be in the mainstream school.

Year 5

I will definitely come with my suggestions if I feel like there is something.

Better ways to access information as not all parents have Facebook and computers. Difficult to get the homework when it's only downloadable/printable and parents can't access this.

Keep parents well informed about their child's progress. Home/school diary would help.

I don't know.

Year 6

More help with children with Disabilities.

Outside activities- Boxing/Dancing.

School's Next Steps

Please note that this questionnaire was taken during COVID 19

Ensure more paper copies of important information and work packs are available for parents who do not have easy access to the internet etc

Ensure that Parent's Evening is up and running once out of COVID 19 – but more pupil updates for parents are being discussed

To look at increasing swimming opportunities if this is viable

To look at starting up the workshops to help support parents to support children's learning
